Re: Cecchetti Ballet Workshop - Levels 1, 2, 3, 4, 5 & Character Dance
2 SESSIONS to choose from: June 26 – 29 &/or July 31 – August 4, 2017

Footlight Dance Centre is a Cecchetti Ballet school, based in the teachings of Enrico Cecchetti (1850-1928). Our teaching is based on a graded system of advancement, levels 1-7. I hold professional Grade 6, a Licentiate member of the method. The Cecchetti Method offers a teacher a completely balanced and analyzed system of theory and execution for the planned development of a student. Students are advanced into class levels on the basis of technical mastery of specific steps, understanding of alignment/center, use of the French terminology, musicality and interpretation of the music. Taking Summer Classes in the Cecchetti Method gives a student the ability to understand in more depth their study of ballet. THIS IS A PERFECT WAY TO PROGRESS IN A SHORT PERIOD OF TIME! If you have never taken Cecchetti grades, you must start with Level 1-2. If you are an Int. 2/3/4 level student you can work on all levels.

Students 9 years and older, completed Ballet 2 or 3 (studying 2 years min.), approval of the school director are eligible to participate in these Cecchetti classes.

INTERESTED?? Class is held each day during the week. Each student receives a book of the material in the level they will study (including French terminology). All material is set dances that are written in the level books. Books will be given out the week before your workshop so you can study prior to the class starting. REGISTER BY June 16. You should not miss class if you decide to take the workshop, as the material presented is progressive.

This workshop will also include character dance, historical dances that teach rhythms, footwork and performance. Character dance is a stylized representation of traditional folk dances done in classical ballet productions.

You will need a "full circle knee length skirt" for this part of the workshop. Don't have one: Black.
